VOICES OF LIVED EXPERIENCE: NAVIGATING REENTRY WITH RESILIENCE AND PURPOSE

Join moderator Mick Gardner and a powerful panel of returning citizens as they share their personal journeys through incarceration, reentry, and transformation. This session will explore the challenges faced during transition, the support systems that made a difference, and the successes that followed. From trauma-informed recovery to community leadership, these voices offer insight, inspiration, and practical wisdom for anyone working in or impacted by the justice system. This is more than a panel—it's a witness to the human spirit and the power of second chances.
